## **MESSAGE FROM THE PRESIDENT**

Nobles,

The members of the Ocala Shrine Club have had a busy couple of months and I am going to take this time to thank all of you for the hard work you have done on behalf of the Shrine Club, and for our kids at the hospitals now and in the future.

The South East Pro Rodeo went very well, even with changes at the new concessions stands. A lot of manpower and planning went into this affair and, once again, Thank You one and all!

Following that event, we had the 2nd annual Ocala Shrine Circus the next weekend. Again, a lot of planning and manpower went into this endeavor. The financial outcome was not what we were expecting. We had to book the date a year in advance and had no idea how many other events were planned for those same dates. Now we have to decide whether to continue with this undertaking or let it pass. We were informed in the beginning that it would take three years to get it successfully off the ground. We have also been offered to have the carnival along with the circus to make it bigger with the same amount of work. Maybe the third time is the charm?

Now we have just finished our annual Golf Tournament. This day was filled with beautiful weather and lots of fun. This is always a good day, even relaxing for some of us who have been working just about every weekend. It was a good tournament and a good job and thank you Noble Keith and your golf committee.

This next month will be at a slower pace. The Shrine Club will have a paper drive on May 14 (see Noble Barry Decker for the details), and a rib sale on the May 28th (see Noble Duke Miller) which is Memorial Day Weekend.

Congratulations go to our March "Shriner of the month": Noble Jim Clark and Lady Shriner: Kathy Hubley. Congratulations also go to our April "Shriner of the Month": Don LeMaster and Lady Shriner: Louise Chason. I Thank you each for doing that extra effort and helping out whenever you can.

That is all for now. If you need anything, give me a call, or I'll see you at the club. Until then, "Have an Ice Day!"

Fraternally,

*Tom Hubbard*

## **MESSAGE FROM 1ST VICE PRESIDENT**

Nobles and Ladies,

Hope all is well and everyone is getting into their summer mode. The club has been very active with all the different functions going on and Kathy and I thank each of you for your continued support. Our Wednesday and Friday dinners are picking up and occasionally we will make some boo-boos back in the kitchen. This is not intentional and I apologize if you've had any problems. We're working hard week after week and we want everyone to come to the club and enjoy themselves. Our 2nd VP Barry Decker has scheduled our annual paper sale for Saturday the 14th of May at several locations. This is only for four hours, so dive in and help at which location is convenient for you. Contact one of your officers and we'll find you a spot to help. I'll be heading up the next rib sale on Saturday May 28th and as always we need a lot of help. Crews to season and hang the ribs. Crews to come in early and cook and crews to sell and finally some nobles to help clean up when we're finished. This is one of our better sales for Memorial day, so let me know if you can help. Congratulations to 3rd VP Keith Poole for a great golf tournament. Beautiful weather and a great turn-out made this a very enjoyable day off to rest and enjoy the fellowship. Special thanks to Hal Price for all his help and everyone else who pitched in and made this a fun event. Our Southeast Rodeo went well and we are in full swing preparing for our Labor- Day Event. We are having meetings every 4th Weds. At 7:30 pm at the club. We have had a good attendance at all of these meetings and a lot of input from nobles past and present and their ladies. We need to sell all the various program ads and also all of the arena signs, bucking shoots, belt buckles, etc., etc. We will get it done as always, but being in charge of this event tends to add the extra pressure to make sure you're not missing anything. A big Thank You to Ruben Lamb for keeping us in check and keeping us on target. This is our major fund-raiser for the hospital, so please help wherever you can. On the front cover of this newsletter you will see the 10th Rodeo Cover Page that we had in our program that year. Reminds us why we do what we do. I was wondering if anyone from that era knows the whereabouts of these four children and how they're doing today. It would be nice to see how their lives are today after all these years.

Fraternally,

**Dennis "Duke" Miller** Dennis "Duke" Miller, 1st Vice President

## **MESSAGE FROM 2ND VICE PRESIDENT**

Dear Nobles and Ladies;

We are rapidly approaching the days of summer. That means vacations and all kinds of summer activities. This is the best time to rest and refresh ourselves. Other than the 3rd week cook night, my activity for the month May is (da-ta-da-da) PAPER SALE. This is a 100% charitable fund raiser for the hospital. The sites are as follow:

The Ft. McCoy cross roads

The Sparr cross roads

The Forest Corners' Winn Dixie

The K-Mart on 36th Av. & Rt. 40

This is a good time to let the citizens of Marion County see those Red Fez's out working and having fun for our kids. This is my kind of rest and refreshment. This is what SHRINERS are all about. If you don't believe me ask Noble Stan. He had his own paper sale at Publix on 36th av. the middle of April, as he does through out the year. Thank You Stan you are a true SHRINER. So Nobles come out and join us on Sat. May 14th at one of the above locations from 8 a.m. to Noon.

In addition to the PAPER SALE we have a few other activities in May. Aside from our Wed. and Fri. night cook nights, we have a board meeting on Mon. the 9th. and our regular Men's night dinner on Mon. the 23rd. Our next RIB SALE will be on Sat. the 28th. Don't forget to get your World Famous Shriner Ribs for Memorial Day! This is Duke's Rib Sale, so check with him if you can help cook, wrap, serve, or just hang out. Remember minimal sampling is a necessary part of the job.

Nobles, our club is planning on closing for the month of July because the attendance during this month is not enough to keep the doors open. We will be having our regular board meeting and our regular Men's night meeting as well as any catering events. I would like to see us work on some inside projects, in the A.C. I would like to see some fresh paint in the banquet hall and some work on the bathrooms. Just a few things we might think about over the next few months. Let's see how many of you are reading these messages.

Fraternally,

**Barry** Barry Decker, 2nd Vice President

## **MESSAGE FROM THE SECRETARY**

Dear Nobles and Ladies,

A committee of Nobles; Mat Cummings P.P., Hal Price and Don LeMaster have been put together and are updating the club's membership list. They have put considerable effort in contacting members that do not have current or updated dues cards. If you have changed your home phone, cell number or your address, please send the correct information to the Shrine Club office so we may update the files and get our membership data base corrected.

If you are one of those Shriners who enjoy preparing food or working in the kitchen, several of our Kooking Krews are in need of additional help so if you would like to assist contact the Shrine Club office and we will help you in getting assigned to a Wednesday or Friday Kooking Krew.

Nobles just a reminder the meeting nights are the 4th Monday of every month. If you plan on coming you can call the office and leave your membership number on the answering machine and we will sign you up or when you visit the Club you can always sign up on the sheet on the bar, last month we had just enough members to have a quorum. Please come hear about the activities and events being planned for the club and meet your officer's.

*Scrooge* Keith "**Scrooge**" Fencl, Secretary

## **MESSAGE FROM THE TREASURER**

Four months have come and gone for our Shrine club. I must say, four very busy months for our members and all the units. Working for the Southeastern Pro Rodeo, OSC Circus, and Golf Tournament was a hand full for our club members and units. Thanks to all our hard working members and units, we made it happen. I want to give a big "thank You" for all your hard work and long hours. Without your help it would not have happened.

Remember to keep an eye on your newsletter calendar for dates and times of upcoming events. We have our Labor Day Rodeo in September and the Children's Christmas party in December. Check with the VP in charge and get signed up for a job. Remember there is a job for everyone to do.

Wednesday and Friday night Dinners are doing better. Let's support our club and come out for a good meal and good fellowship at your club. The food is great.

The office stays busy, but not too busy to say hello and talk to you. The door is always open. So, come on by when you can. Hope the month of May is good to you. Summer is coming fast and hot so be careful, watch the heat. I'm looking forward to seeing you at the club, for now "Bye".

# **NOISE FROM THE KITCHEN**

Nobles and Ladies, One and All,

Kinda quiet right now. I can never thank the officers and their lil' helpers enough for putting out the great meals, serving the food and of course the clean up! Thanks to the set-up crew for their able assistance (Hal and Arlene Mix) and Barry for just jumping in when needed. Good to see the folks coming back Wed and Fri for dinner. I try to mingle and find out what is good and not so good. Feedback is important and it makes us better to serve ya'll.

Sometimes we get overwhelmed in the kitchen, but thanks to our Brothers and their Ladies for their forgiving ways and smiles, we "get 'er done". The positive comments far outweigh the not-so-positive comments. It is like a game.....you can't win 'em all, but give it your all! Hey, I'm a poet and don't know it.

Thanks to all the little decorators for keeping the spirit for the occasions.....St. Pat's Day, President's Day and New Years etc. I do know where some of the decorations come from.....storage over the garage. My lovely wife and other ladies (Marianne B., Jackie H., Margaret, Marie, the ladies of the Red Fez lounge, Linda and Danny) deserve a round of applause. Stop and thank them when you see them (this means coming out to the Club). Lots of folks work as a team to make your visit and that of your guests a pleasant experience.

Think of all the folks in Japan and keep them in your prayers. We complain if we have to clean the house.....they don't have one! I am always pleasantly surprised when I hear of the kindnesses extended beyond the Cable Tow to others; keep it up Brothers and sisters.

I almost forgot the "Horse Auction" gang. Louise, Jim G., Jackie T., Jim and Maggie, Kathy Hubley, Bob, Mike and I. We have fun while working for the KIDS!

I get a lot of calls for events, weddings, birthday parties (for the people that still have them), but we need more to help pay the bills. We can rent the Lounge for specific groups that need a smaller space, at less money than the big hall. We'll do anything to make a buck.....well, almost anything. Tell all your friends (and enemies too) about our facilities. Large or small we can handle them all. Sounds like a commercial for a Lazy Boy. Speaking of lazy, it's time for me to say bye.

**Sincerely, Jack and Jackie**

Greetings Nobles,

Bringing you up to date, quite a bit has been going on regarding the Fire Brigade. Noble Gardener, one of our newer members, has been hard at work maintaining our Fire Engine. We were forced to miss the Crescent City Catfish Parade because the batteries in the fire truck needed to be replaced

## **FIRE BRIGADE**

**The Phantom Scribe**

and we worked the Shrine Circus (Ed Horner, Tom Hubbard Dave MacKay, and Ken Shaw). Noble Jim Row was instrumental in getting a very good price for the new batteries. Thanks a lot Jim; we do appreciate your efforts. Noble Gardener installed the batteries and checked over the entire electrical system and made quite a few up dates and streamlined the electric system. Lots of pumps and gauges etc., not needed for a parade vehicle but they were used for fire fighting have been removed from the system but left as "dummy equipment". Noble Dave Grabish needs our prayers and concern---many medical and special situations to overcome. We wish him and family the very best. Noble Grabish has gotten us many strings of lights to decorate our truck and is hard at work scouting out a good price for a converter to utilize the 110volt lights on the truck., along with that we hope to install a PA system and digital disc player. We hope to take part in the July 3rd. parade in Williston. Meet at OSC at 3:00 PM line up at rear of Williston High School at 4:00 PM. Parade should step off at 5:00PM. Please sign up at May 18th. Unit Meeting 7:00PM. At our April Unit meeting we voted to "go dark" for the months of June and July. Remember the OSC Shrine Rodeo on Sept.2nd and Sept. 3rd. Lots of help needed, please show your support. Noble

Sincerely and Fraternaly,

*The Phantom Scribe*

Greetings Ladies and Nobles:

For months the OSC Club Clown Unit has been looking for some clowns to join our unit. At last we have one and we are very happy to welcome Nobel Gary A. Johnson to our unit. Gary and his Lady Linda live in Bronson, Florida.

**Clown Unit**

**By Steve Nichols**

The Clown Unit is very excited to have Gary and we know he will be a big asset to our unit. We look forward to working with Gary and say thank you for being a part of our clown unit. The Clown Unit can still use some more new clowns. If you would like to join Noble Gary and become a new face in the clown unit just ask one of us clowns.

This year has been pretty busy with club events. Everyone has worked hard to keep our club and units moving. We still have other events coming up that will end the year out. Looking forward to our Labor Day Rodeo and our Children's Christmas Party to mention a few. We will be there to support these events as always. Our main task is to always put a big smile on our children's faces.

In closing, the OSC clown Unit is dark for the month of, May, June and July. We will start back in August. Hope for the best of luck to all of you. Take care.

Yours Truly,

**Steve Nichols** Steve Nichols, Chief Clown

### MESSAGE FROM 3RD VICE PRESIDENT

Greetings Nobles,

Well the ship has left the harbor and we are at full sail. No need to turn back now this journey is in full force and we are accomplishing so much. I would like to thank my wife Lesli for having shown so much patience in allowing me to be away from home so much these first few months of the year. I would like to thank my fellow officers for all of the wisdom and guidance they have bestowed upon me in charting my first year as the 3rd vice president, with out them I would be lost. Most of all, I would like to thank my fellow nobles, brothers, and friends that have helped me meet the obligations as 3rd vice president, it is not a one man job.

With out them it just would not have happened. We are experiencing wonderful cook night attendance and are meeting new faces every week. I think I may have found my new calling in life, just call me Gordon Ramsey, just kidding. We are having a great time and would love to see each and every one you at our dinners. Just in case you forgot, the fourth Wednesday and fourth Friday every 100th person eats for free. Well, the next big event is the Shrine Rodeo, let us support Duke in this mission and sell some sponsorships. We can do it together one sponsor at a time.

Have a wonderful summer and enjoy your loved ones, make a special point to spend a little extra time with them, remembering you can never get that time back, let them know how much you love them. Life is precious enjoy every moment. God bless each and every one of you, "see you at the club".

Fraternally,

*Keith* Keith Poole, 3rd Vice President

Greetings Nobles and Ladies,

April was a busy month for the Ocala Shrine Club and our Ocala Legion of Honor. I was very pleased with the LOH showing at the shrine circus, the LOH fish fry and the golf ball drop; although we did not do financially as well as last year, these events were successful. I think our unit is moving in the right direction.

## **OCALA LEGION OF HONOR**

**John Macias Commander**  
**Thomas R. Bingham, Adjutant**

I would like to thank the Shrine club officers for giving Ocala Legion of Honor the opportunity with the fish fry and Noble Pete Peterson for coming out with his "bucket truck" for our golf ball drop. For those who didn't see the drop 7 balls went in the winning hole, so each of the winners split the grand prize and walked away with 24 dollars each. We also had a closer to the pin winner of \$50.00, but no other balls went into the other surrounding holes.

We have other ideas in the pipeline for some more fund raisers that can help the unit out. If you have any suggestions, feel free to e-mail me at [jmac359@gmail.com](mailto:jmac359@gmail.com) with your ideas.

Our unit meeting on May 4th will be in summer uniform. I hope everyone can make it as this will be the last one our northern nobles will probably be able to attend until the fall.

*John Macias* John Macias, Commander

### **MESSAGE FROM THE SCRIBE**

Nobles & Ladies of the Ocala Shrine Club,

A lot of efforts have been made this past month by Nobles Matt Cummings P.P., Hal Price and Don LeMaster to contact Nobles that for what ever the reason were not on the current membership list. Through this effort to contact these Nobles up-dates or corrections to addresses and telephone numbers was made to establish a complete and accurate membership mailing list. Numerous Nobles have been contacted and many corrections have been made. With all this effort it is hoped that the distribution of the Ocala Shrine Club newsletter can be mailed via the U.S. postal service; or for those who provide the Shrine Club their e-mail address, a much quicker and less costly copy of the Ocala Shrine Club Newsletter can be sent out via e-mail right away.

Every attempt is being made to get the monthly newsletter out to all members of the Ocala Shrine Club. If you find your not getting this publication please contact the Shrine Club office and let us know of your problem.

Fraternally,

Fraternally,

*Tom Bingham* Tom Bingham, Scribe

## **HILLBILLY CLAN 18 - OUTHOUSE #2** **-Ted Stout**

Howdy Folks,

Our weather has changed from cold to some days of being rather hot. And this can be very noticeable if your one of us Hillbillies in the kitchen baking goodies for the Club's desert table. We Hillbillies continue to be busy baking all the delicious cakes and pies for you-all.

The retirees of Progress Energy (the old Florida Power Corp.) will again be holding their Annual Reunion on Tuesday May 17th at the Shrine Club. They always enjoy renewing old friendships and chatting with each other, and we enjoy providing the "Goodies" for their dessert at a dollar a slice. They are very supportive, because it's all for the Children's Hospital in Tampa. Our members will be busy with all up coming activities, and that means your help and baked good is always needed and very appreciated.

Till next time,

*Ted* Ted Stout
