

## **MESSAGE FROM THE PRESIDENT**

Nobles,

Welcome to August, the dog days of summer. We hope you all had a great July and are ready for all the events coming up. When you come to the club you will notice some improvements have been made. Thanks to Nobles Barry Decker, Tom Bingham and Hal Price and Ladies Marie Decker and Marianne Bingham. The restrooms are all cleaned, painted and redecorated, the dining hall cleaned and re-painted and the little kitchen painted. What a difference it has made. They put in a lot

of hours on this so make sure to thank them all.

We also have a new House Committee Chairman: Matt Cummings. As you know Noble Matt is a past president of the Shrine Club and is also current Worshipful Master of Fort King Daylight Lodge as well as President of the Low Twelve. Thanks Matt for stepping into another position (sorry Jeannie). Our previous chairman, Noble Steve "Snake" Lipford had to resign due to his new work schedule. Thank you Steve for all the time and effort you put in over the past two years, we can always find something else for you when you are ready.

On August 6 we will be hosting something new, a "Bell Bottom Ball". With music from the 60's, 70's and 80's it should be a lot of fun since you get to dress like you used to, and try to dance like you used to. The cost is \$15.00 per person and starts at 7:00 pm with all proceeds benefiting the Shrine Club.

Monday, August 22nd will be Lady's Night and that Saturday the 27th will be the Rodeo Sponsor's Appreciation Dinner/ Dance. Come out and meet our Rodeo Princess and Buckaroo. You will also get to meet many of our sponsors for our rodeo, so come on out and enjoy some great fun.

The following weekend is the BIG event. The 29th annual Ocala Shrine Rodeo. Those dates are September 2nd and 3rd. The special rodeo for the kids will be Friday night at 7:00 pm. This is always fun to help with, so get with 1st VP Dennis to sign up. Noble Dennis and Lady Kathy and their committee have worked long and hard on this rodeo so please let them know you appreciate them.

Dinner will NOT be served on Friday September 2 as this the first night of the rodeo. If you want some dinner, see you at the rodeo for burgers, fries, hot dogs, bar-b-que, sausage, funnel cakes, popcorn, peanuts, snow cones and cotton candy. Plus, that is where every one else will be instead of at the club cooking. If you want to help at the rodeo see any of your officers (especially Barry or Keith since they are in charge of cooking) and we will set you up.

There are also some menu changes being made for Wednesday and Friday night dinners. Come try them out, if you would like to see some other changes let us know. We welcome ideas from our ladies as well, without you we are missing half of the team.

That is all for now. Until then, "Have an Ice Day!"

Fraternally,

*Tom Hubbard*

## **MESSAGE FROM 1ST VICE PRESIDENT**

Nobles and Ladies,

It's Rodeo time! It's hard to believe it's almost here. We started out this year with meetings beginning in January and have had one every month since. We are now having two a month and going into the last month we will have one every week. This endeavor is the big one and our largest fundraiser for our Hospitals. Everything is coming together nicely, but there is so much going on that it seems like there is always something not quite finished. I'm sure it will be like that all the way to the end. We started early, we all worked very hard and I'm sure everything will work out fine as in all the previous 28 years. I can't say enough about all the help Kathy and I have received. "Mr. Rodeo", Noble Ruben Lamb has guided and steered us all the way. We have had good turnouts at all the meetings and when you least expect it, someone jumps in and gets one more thing accomplished to cross off the list. If you haven't helped out yet, there are still many things to do. Contact me at Cell: 239 -1839 or Home at 867-7518 and we'll find you something to do. Don't forget, we will be having the Special Rodeo on Friday night at 7:00 pm with the children showing up at 6:00pm to get some good Shiner food and their shirts and cowboy hats, before we take them into the arena for their performance. We need a lot of Shriners on the arena floor as this will be the first time we have done this with a full audience to see what we do for our patients. We will also need to get all of the stuff cleaned up and removed so the Rodeo can begin at 8:00 pm sharp. We can do it! Our ladies night will be August 22nd and we will have the Buckaroo and Princess there for all to see. Our Rodeo Sponsor's Appreciation Dinner/Dance will be on August 27th with music and a great meal provided to all our sponsors. Please attend these nights and show our community what we do for our children and let them know how much we appreciate their continued support of our Children's Hospitals. In closing, again let me thank everyone for all there help along the way and especially my wife Kathy for all she has done to make our club shine one more time for our kids.

Faternally,

**Dennis "Duke" Miller** Dennis "Duke" Miller, 1st Vice President

## **MESSAGE FROM 2ND VICE PRESIDENT**

Welcome back Nobles & Ladies!

It's time to hit the Shrine trail again. We hope you enjoyed your time off with family and friends. While you were vacationing there were a few improvements made around the club. We hope you come in to see what has been done. I would like to thank Noble Tom Bingham, his Lady Marianne, my Lady Marie, Noble Hal Price, and our Noble President for all their hard work. If you see it and like it thank one of the above, if you don't see it, it was never there. They worked extremely hard to make the club bright and clean.

We have a lot on our plate for the rest of the year. Starting with the "Bell Bottom Ball" on Sat. Aug. 6th at 7 pm. There will be dancing, snacks, adult beverages and FUN. The Music will be 60's, 70's, & 80's. So break out those bell-bottoms, those poly leisure suits and those clam diggers and have some fun. You asked for dancing, so let's see some of those moves. This is taking place with the help of Jeannie Cummings and the girls at the MCFR (Marion County Fire Rescue) and the girls at the tax office. So far we have over 100 people singed up to come. The proceeds go to support the Shrine Club. Make your reservation, join us and support the club and these ladies who are working so hard to support your Club.

It's that time again, the Shrine Rodeo Sponsor's Appreciation Dance and Dinner, Aug 27th. Then the following Wed. Aug. 31st is set up day for the rodeo. That is when we set up the tents and haul all the gear out to the arena. Then on Fri. Sept. 2nd is 29th annual Shrine Rodeo. This year we are having the patient's rodeo on Fri. Night, right before big boys' Rodeo. This will allow all our rodeo fans to see our kids, and why we work so hard for them. I know they will enjoy it as much as we do. This is our biggest event of the year so if you are not signed up for a project, see Noble Keith Poole or myself for the East and West cooking sides or any of your officers. As one of our local famous Shiner's would say "It's for the kids Ya-know".

The next item on the calendar is the Friends of the Shrine Cruise on Sept. 19th. I am really looking forward to this. For those that went on last years cruise, THIS WILL BE 2 DAYS LONGER. For those that did not go last year, you missed a great time. SO don't miss this one. You know us Shiner's we know how too enjoy ourselves.

The next affair coming up is Culinary Combat on Oct. 2nd. This should be a great project for the Shrine Club; Just imagine Wine and Food. It's a natural, it's what we do best! We need to start talking about this to our friend's and family's and generate interest and find out what it's all about. Ask an officer to tell you about it. Better yet come out for our monthly meetings and find out what's going on in your club. The proceeds for this event go to our hospital. This event was brought to us by P.C. Productions and the community, so let's give them all the support we can; it is for our kids. Welcome back, hope to see you at the club and bring a friend.

Faternally,

**Barry** Barry Decker, 2nd Vice President

## **MESSAGE FROM 3RD VICE PRESIDENT**

Good Day Nobles and Ladies,

I would like to welcome all of you back from summer vacation. If you traveled than it would be a vacation, but we stayed in town for our normal duties. Hope all is well with you and your families and everyone returned safely. Well it is time to get back to work and tackle some of our goals for this year. The Shrine club has seen some improvements made over the summer, thanks to the hard work and dedication spear headed by our second VP Barry Decker. He and his clan have worked diligently to give our club a fresh look. Give him a big "thank you" (maybe buy him an adult beverage) and let him know we appreciate

his efforts.

Next on our agenda, our monthly meetings resume and your attendance is essential for the success of the club. August 22, 2011 RSVP Now, this will be a Lady's Night. We will not open the restaurant for the fourth week of August for dinner. Since we have lady's night on the 22nd, and the Rodeo Dance on the 27th. history shows our dinner nights suffer with attendance when these events are so close together, so we have opted to close those nights to save money and resources that would otherwise be wasted. We have our Shrine RODEO September 2nd and 3rd, with all of the many activities that surround this big event; come enjoy them. Brother Duke and his lady Kathy have been endeavoring on this path since January and can see the light at the end of the tunnel. Jump on board this train to help raise money for our children, your help is needed in many areas for this major event!

"Culinary Combat" is right behind the rodeo. Sunday October 2, 2011 we will venture into our new fundraiser for the hospital. This will be a first class operation with world renowned chefs coming from all over to exhibit their skills in the kitchen. Don't miss this event, it will be air conditioned and inside the Ocala Hilton Hotel. (That is important because after the rodeo on Labor Day weekend we will need some cold A/C) It will be fun and many dignitaries will be on hand to help promote the event. We need volunteers for ticket/money collection, setup, and many various jobs that are not labor intensive. Come enjoy the fine foods and libations that will be served and make some memories with your friends. (be a part of something new, special, and help make a difference).

After all of that, we are taking applications/nominations for our cherished 3rd Vice President position. If the calling has been placed on your heart, or the sharp pain in your chest, side, or rear end, to venture down this path, please let one of us know so we can help with your calling. We would not want to disrupt your destiny of being one of our illustrious and prestigious PRESIDENTS. (can you hear the music) All kidding aside, we need some willing and able Nobel to help keep this momentum moving. We are on the up stroke of good things to come, lets put another rung on the ladder of success by nominating the right Nobel for this chair.

Until we meet again, may God bless you, your family and our troops, may brotherly love prevail and every moral and social virtue cement us. Go in peace brothers.

Fraternally,

*Keith* Keith Poole, 3rd Vice President

## **MESSAGE FROM THE TREASURER**

Greeting Nobles and Ladies:

Our OSC club will be open and ready for members and guests on Wednesday August 3rd. It was good to have a month off for everyone to get some rest. Now it's time to get ready for a busy month and up-coming events. We really need our members to come out and enjoy our Wednesday & Friday night dinners. Bring a friend and enjoy the food at a good price.

Lots of work went on in the month of July when the club was dark. All bathrooms are fresh with new paint. Our dinning hall was painted and all lights and ceiling fans were repaired. Thank you, Tom & Marianne Bingham, Barry & Marie Decker and our good Noble, Hal Price. Everything looks great and again thank you for your time.

We need all the help we can get for our Labor Day Weekend Rodeo on September 2 & 3. Just see "Duke" or one of the other officers for a job that fits you. Let's make this year our best year for our kids at our Shrine hospitals.

Check your OSC Newsletter for all the dates and times for all events that will be coming up soon. We have a great club and lots of nice members. Let's all work together and keep our club the great place it is to spend our time. Take care and I will seeing you around the club very soon.

Fraternally,

*Jim Gillyard* Jim Gillyard, Treasurer

## **MESSAGE FROM THE SECRETARY**

Dear Nobles and Ladies,

I joined **YOUR** Shrine Club ten years ago and I was thrilled to be involved with such an active Club. But as the years have gone by I've noticed **YOUR Club** declining, both in physical appearance, attendance (membership is down to about 200 when a few years ago it was over 400), participation and attitude. Over the past few years **YOUR** officers have been working very hard to get non-participating members back to **YOUR Club** and to get the members more involved. And for some reason their hard work is not working. Did you even know that while

the club was closed this July that a couple of **YOUR** officers and their ladies cleaned and painted the dining area and all four restrooms. Also a new A/C grill was installed in the bar area all for the better mentof **YOUR Club**?

The point I'm trying to make here is that the Club is not my Club, it's not the Officers club, it's **YOUR Club** and **YOUR Club** needs your support, not just for dinner on Wednesday and Friday although **YOUR** officers are working on a new menu for Wednesday and Friday and need your input as far as food items, quantity, pricing, portions, etc.. **YOUR Club** needs your support, your suggestion of things that you would like to see changed, **YOUR** Officers do listen to you but they cannot do it alone and if **YOU** don't get involved the Officers can only guess and do the best they can to try an meet the goals of their membership. There are many ways we can help, by showing up for the cleaning parties, almost all of us can pick up a sponge and clean a table or wipe down a chair, run a vacuum, change a light bulb. Those that may not be as physically fit can help by showing up and supporting the workers by getting them a beverage or a snack or just moral support and giving them an At-A-Boy, or even just a suggestion as to where to hang the Christmas wreath this year. Come out and be supportive.

There's always something **YOU** can do, one or two people cannot do it alone. So if you don't like something that's happening at **YOUR Club** and think it needs changing, discuss this with **YOUR** Officers, or better yet come out to Men's Night meetings and get everyone involved, offer to help in the process of fixing, or improving a situation, but get involved.

This is **YOUR Club**! And **YOUR Club** needs **YOU** at all levels, physically, mentally, financially no matter how large or how small. If **YOU** don't start supporting **YOUR Club**, in a few years from now **YOUR Club** as it is today may not be available to you.

From one Noble to another I'm asking for your suggestions, support and involvement in helping me help **OUR CLUB**.

Fraternally,

*Scrooge* Keith "**Scrooge**" Fencil, Secretary

## **HILLBILLY CLAN 18 - OUTHOUSE #2 -Ted Stout**

Howdy Folks,

The Hillbillies had a month to enjoy while the Ocala Shrine Club was closed for a house cleaning, painting, repairs, etc. However, we will be baking those great cakes and pies again starting this month of August. Our customers really enjoy our baked goods as measured by the volume purchased each Friday night. The Club's last Rib Sale (July 4th weekend) was a great success and we had a lot of help which made this a successful event We were sold out of ribs by 2:30pm. We want to thank everyone who came out to have a good time, and the fellowship was great.

Till next time,

*Ted* Ted Stout

## **NOISE FROM THE KITCHEN**

Nobles and Ladies, One and All,

It's been kinda quiet this past month of July....only one wedding (a relative of the Bingham). We got a lot of calls for rentals later this year and into 2012. Boy, what a job the Bingham, Deckers, and Hal Price and others did to paint and re-decorate the dinning hall, all the bathrooms and the small kitchen. The big kitchen out back is next.

We have a new dishwasher aboard...say Hi when you get to the club.

My wife Jackie, totaled up the hours she spent for a wedding setup recently: setup, decorate, setting the tables, washing the cloths, cleaning the club, cooking with the cooking crew and in general assisting the wedding party. She counted about 32 hours....that's only one event. We need help doing this stuff. Every little bit helps. Call me and offer to help the "weddings and events" folks. It isn't hard work such as setting the tables, filling salt shakers, putting out the water and coffee cups. The club can't afford to hire this done. Jackie and I are tired. I know we haven't asked before, but it's getting old. Our home number is 694-4411. The only reason I am asking now is because we want other Nobles and Ladies to have fun too!

We have a wedding on August 20th. Come help setup on Friday the 19th. We like to have everything done on Friday so the wedding party can decorate on Saturday morning.

The little get together we had at our house was a great time to let our hairs down (so few left). I know why this Ocala Shrine Club is what it is today, after hearing the work that went into getting us to this point. We can get back to the good old days when the dinners served over 100 on Fridays. Come out and support the folks (volunteers) that try like hell to get a good meal out. Let us know what you like and suggestions for making this better. Be warned....if you suggest, then we may ask ya'll to show us how. If you don't know what we do or why it's done this away or that way, just ask. We all can learn better ways of doing things. If every Shriner in the club would give an hour of their time, what a club we could have! Fix a light that's out, clean a dish or two, pick up a piece of paper off the floor, carry your dirty plates to the bucket. By all means, when you walk through the Nobles entrance, give a big smile, shake a strangers hand and introduce yourself; let them know you care and welcome them to your club. Be proud to be a member, a Shriner and never forget what we stand for. The statue out front says it all. Bless each and every one of you and your family. Remember our troops and our Brothers in trouble and distress. Oh by the way, let's have a RODEO we can be proud of. Do not forget that the Shriner's kids will be at the Rodeo at 6:00 PM Friday Night. Let's

Sincerely,

*Great Fun Raiser*

Greetings Nobles,

I don't know how much rest or refreshment we have had, but we certainly have had a very HOT summer thus far. The Ocala Shrine Club has been normally closed for the month of July. We will be getting into "high gear" during the month of August. After all, the Ocala Shrine Rodeo will, as usual, be held on September 2nd & 3rd at the Southeast Livestock Pavilion. A great many Shriners have put in many hours of time and effort to make this a great event in support of our Children's Hospitals. Now we have to do our part to continue to support this cause, and make every effort, being ready to "step up to the plate" and do the many tasks required to be performed, leading up to and including the Labor Day weekend Shrine Rodeo. Please, I strongly urge and hope all of the Fire Brigade will volunteer to get the jobs done. The tasks can be fun, and you know your efforts are well appreciated.

Greetings Ladies and Nobles:

All of our Ocala Shrine Club Clowns will start back this month to their regular scheduled meetings and the many events that will be going on with our OSC. After a nice rest in the month of July, everyone should be ready to go with our club events. Let's all keep an eye on our Newsletter for dates and times of all events. With our 2011 Shrine Rodeo just around the corner we need all our Nobles and units really chipping in and getting it going. We need lots of help from all our members, so go ahead and sign up for the job you want. There is a something there for everyone to do.

**Clown Unit**

**By Steve Nichols**

Remember our clown unit still could use some more clowns. Just ask one of the clowns for information. Being a clown is really lots of fun, and you will get lots of good laughs. The happy smiles you get from our kids will make you feel great.

Hope you enjoy this month of August. Looking forward to seeing you around the club and everyone getting involved with the events going on. On behalf of all the clowns, Take care.

Yours Truly,

*Steve Nichols* Steve Nichols, Chief Clown

## **MESSAGE FROM THE SCRIBE**

Nobles & Ladies of the Ocala Shrine Club,

I find it extraordinary to have Nobles tell me they didn't get their newsletter yet it didn't seem to make any difference when they did because what ever event, activity or fund raiser going on, most of these Nobles didn't get involved anyway. I guess it's one of those particularizies of any organization. Those of you Nobles who do participate, take a look at this month's calendar. There are enough activities, projects, events and just plain things to do to keep an army busy.

Speaking of armys, if you attended the last men's meeting you may recall my plea to all of you to please help me get "Thank You" notes written to go to our service men and women over seas via "Operation Shoe Box". This worth while effort is going on right here in our own back yard and needs citizens like us to write a few simple "Thank You" notes that are placed in the care packages sent to every service member servicing our country. I and most members of the Legion Of Honor have blank cards which make this effort simple. All you need to do is write a short message on them and return these cards to me and I will see that they are given to the headquarters at Operation Shoe Box.

Nobles, let me close this month's message with a simple appeal to all of you. There is a lot of effort and needs that our Shrine Club has been trying to deal with in using our limited resources. While money is always limited, the bigger challenge is manpower. Our Club needs every member, young and old, veteran Shriners or newbe to get involved. The limited few who are, are struggling trying to carry the whole load! Please get involved, it can be fun if you want it to be, and the kids are the ones who truly benefit ultimately from your personal contribution of a few hours of your time.

Fraternaly,

*Tom Bingham* Tom Bingham, Scribe

**John Macias, Commander**  
**Thomas R. Bingham, Adjutant**

Greetings  
Nobles and Ladies,

I hope the summer months have given you rest as we open back up in August, and get ready to work. We have the "Bell Bottom Ball" happening at the Shrine Club where "South of the Border Elvis" has been asked to make an appearance. I would like to extend a thank you and recognition to our very own Tom Bingham, who had a paint crew at the club and did a wonderful job. I also want all LOH members to be ready for the raffle tickets to sell. Just by the amount of buzz I have created, I see no reason why we can't have a great fund raising event and make money for the unit and the hospital. In closing, we have the most important event on the horizon, The 29th Ocala Shrine Club Rodeo, please sign up and help us out. All hands on deck will be greatly appreciated. Thank you for your service and God Bless.
